(completed by Registration Authority)

PLEASE NOTE: This completed form will become part of the public record of this change request and the history of the ISO 639-3 code set. Use Shift-Enter to insert a new line in a form field (where allowed).

1. NAMES and IDENTIFICATION

- a) Preferred name of language for code element denotation:
Urkers
- b) Autonym (self-name) for this language:
Urkers
- c) Common alternate names and spellings of language, and any established abbreviations:
Urks
- d) Reason for preferred name:
It is the original name and is used the most
- e) Name and approximate population of ethnic group or community who use this language (complete individual language currently in use):
Number of speakers unknown, spoken in the Dutch municipality of Urk
- f) Preferred three letter identifier, if available: urs

Your suggestion will be taken into account, but the Registration Authority will determine the identifier to be proposed. The identifiers is not intended to be an abbreviation for a name of the language, but to serve as a device to identify a given language uniquely. With thousands of languages, many sets of which have similar names, it is not possible to provide identifiers that resemble a language name in every case.

2. TEMPORAL DESCRIPTION and LOCATION

- a) Is this a
 - Living language
 - Nearly extinct/secondary use only (includes languages in revival)
 - Recently extinct language
 - Historical language
 - Ancient language
 - Artificially constructed language

- d) For an ancient or historical language, give approximate time frame; for a recently extinct language, give the approximate date of the last known user's death

3. MODALITY AND LINGUISTIC AFFILIATION

- a) This language is: Signed Spoken Attested only in writings

- b) Language family, if classified; origin, if artificially constructed:
West Germanic language

- c) Closest language linguistically. For a Macrolanguage, list the individual languages (adopted and/or proposed) to be included in its group. For signed language, note influence from other signed or spoken languages:
Low Saxon, Dutch

4. LANGUAGE DEVELOPMENT AND USE

- a) What written literature, inscriptions or recordings exist in this language? Are there newspapers, radio or television broadcasts, etc.?:
Mainly on the internet, local publications etc.

- b) Is this language officially recognized by any level of government? Is it used in any levels of formal education as a language of instruction (for other subjects)? Is it taught in schools?:
It is officially recognised as part of the Low Saxon language, it is not taught at schools.
