La gran riqueza de la lengua y cultura popoloca se expresa en la vida cotidiana del pueblo de San Juan Atzingo y de su gente.

El propósito de este libro es ilustrar esa riqueza por medio de palabras y dibujos, de manera que la gente del pueblo llegue a sentir un aprecio más profundo por su lengua y su cultura y que tenga la posibilidad de expresarla en forma escrita.

Este libro es para todos: para hombres y mujeres, para niños y adultos. Esperamos que sea algo divertido y útil para cada uno de sus lectores al ver los nombres de las diferentes clases de animales, de las cosas que se ocupan en la casa o en el trabajo y de las personas y sus actividades.
