PREFACE

This volume presents text materials from eight different languages indigenous to Mesoamerica. It is intended to serve as a companion volume to the papers presented in volume 1 (*Discussion*) of *Discourse Studies in Mesoamerican Languages*. However, it may also be used apart from volume 1. It will be of general interest to those interested in Mesoamerican language data, as well as those interested in studying for themselves the discourse structure of various non-Indoeuropean languages.

A common difficulty faced by linguists publishing on discourse research is how to adequately substantiate one's hypotheses with data, since frequently the data on which the analysis was based consists of one or many, sometimes lengthy, texts. Usually publication costs impose restrictions on how much data may be cited. Yet how, for instance, does a linguist support statements regarding the theme(s) of a text without giving the entire text? Or, how can a participant be tracked through a narrative without giving the entire narrative? These or similar problems are encountered by the discourse linguist in publishing his research.

With respect to the papers in volume 1, the present volume is a partial solution to these difficulties in that it gives a representative text or two for most of the languages discussed in volume 1. In every case, choice of text for inclusion here was made by the linguist(s) working in the particular language. For this reason, the texts vary considerably in length, subject matter, even in discourse type. Many are folktales, but some are historical narratives.

By providing a representative text for the languages discussed in the papers in volume 1, the reader may check for himself the accuracy and validity of the assertions made in the papers. Further, it is hoped that the two volumes will complement each other for pedagogical purposes.

The languages represented in the texts here comprise various linguistic stocks and families, including Mayan, Otomanguean, Utoaztecán, and Totonacan. Each text was individually analyzed by the field linguist studying that language. No attempt was

made by the editor to conform the individual analyses to a standard set of abbreviations, orthographical conventions, etc., and variation in these areas is to be expected. At the end of each text a table of abbreviations is provided, as well as explanations of orthography and notes on assorted matters such as number of speakers of the language, geographical location, etc. Each text has been analyzed into structural units (paragraphs, sections, etc.). Due to differences in criteria utilized for this purpose, there is variation in this area as well. For each text, morpheme-by-morpheme glosses in English are provided, as well as a running free translation in both English (at the end of each paragraph) and Spanish (at the end of each text).

The texts were analyzed into their present form at a field workshop held in the summer of 1978 in Ixmiquilpan, Hidalgo, Mexico, under the auspices of the Mexico branch of the Summer Institute of Linguistics. The workshop was directed by Robert E. Longacre, to whom we are all grateful for his leadership, creativity, and hard work. Thanks is especially due to the native speakers who were the sources of these text materials. Also to be acknowledged is the tremendous work of each of the linguists participating in this project. They were responsible for transcribing and preparing the text materials for this volume. Preliminary editing was done by myself. John Alsop and Doris Bartholomew of the Mexico branch of the Summer Institute of Linguistics helped coordinate publication efforts. A special word of thanks to Louise Schoenhals for overseeing the actual typing and proofreading. She was assisted in her task by various members of the Mexico branch of the Summer Institute of Linguistics. To all these persons I am very grateful.

XXVII. Peak: 110. 'And when that coyote arrived, it asked,
 "What are you doing in here?" it said. 111. And that coyote
 said, "So now, I'm going to eat you now!" it said. 112.
 "Why are you going to eat me?" said that rabbit. 113. "Why

did you deceive me?" said that coyote. 114. And that rabbit said, "When did I ever deceive you?" said that rabbit. 115. "Me, I don't know what you're talking about," said that rabbit. 116. I'm going to eat you right now, I think!" said that coyote. 117. "No!" said that rabbit. 118. And that rabbit just went right into that river. 119. And it said, "If you want to eat me, come in after me! 120. And if you catch me, then you can eat me!" said that rabbit. 121. And that coyote really did just go right in. 122. And that coyote drowned right there in the river.'

INTRODUCCION

I. 1. 'Voy a contar un cuento del conejo, lo que hacía hace mucho tiempo cuando vivía, un cuento del conejo que se comía el maizal.'

EPISODIO C-3

II. Escenario: 2. 'Y la dueña del maizal no sabía quién se lo estaba comiendo y estaba muy enojada. 3. "¿Quién se estará comiendo nuestro maizal?" dijo cuando llegó a su casa. 4. "Pero hay algo que vamos a hacer para descubrir al que se está comiendo nuestro maizal," dijo. 5. Y entonces hizo una figura de cera y fue y la dejó en el maizal.'

III. P-3: 6. 'Y cuando el conejo llegó le preguntó a la figura: "¿Qué haces aquí?" 7. Pero la figura no contestó porque no era persona, porque era sólamente una figura de cera. 8. Y el conejo dijo otra vez: "¡Buenos días!" 9. Pero otra vez la figura no contestó. 10. Y entonces dijo el conejo: "¿Por qué te enojas? 11. ¡Por qué no me contestas lo que te digo?" dijo. 12. ¡Si no me contestas te voy a dar una que te voy a dejar sentado por allá!" dijo el conejo. 13. Y de veras le pegó con la mano derecha y la mano se le pegó donde golpeó.'

IV. P-2: 14. 'Y el conejo se puso muy enojado porque la mano se le pegó. 15. Y dijo: "¿Por qué me agarras la mano?" dijo. 16. "Suéltame, por que si no, te voy a pegar con la pata izquierda y te voy a dejar tirado por allá." 17. Y de veras le pegó con la pata izquierda y la pata se le pegó donde golpeó."

V. P-1: 18. 'Y otra vez dijo: "¿Por qué me agarras la pata? 19. ¡Suéltame, porque si no, te voy a pegar con la pata derecha y te voy a aventar por allá!" dijo. 20. Y de veras le pegó con la pata derecha, y otra vez, la pata se le pegó donde golpeó.'

VI. Clímax: 21. 'Y dijo: "¿Por qué me agarras la pata? 22. ¡Suéltame, porque si no, te voy a pegar con la mano

izquierda y te voy a mandar por allá!" 23. Y otra vez, de veras le pegó con la mano izquierda y ya tenía patas y manos pegadas allí. 24. Por último, todo él quedó pegado allí.'

VII. P+1: 25. 'Y ahí estaba en el maizal, gritando, cuando la dueña del campo llegó. 26. Y le dio mucho gusto encontrarlo allí, en el maizal, cuando llegó. 27. Y levantándolo se lo llevó a su casa.'

EPISODIO C-2

VIII. Escenario: 28. 'Y cuando llegó a su casa lo encerró en una jaula.'

IX. P-1: 29. 'Y ahí estaba cuando llegó el coyote y le preguntó: "¿Qué estás haciendo allí?", dijo el coyote. 30. "Estoy trabajando," dijo el conejo.'

X. 31. 'Y el coyote le preguntó: "¿Y te pagan bien?", dijo el coyote. 32. "Me pagan muy bien," dijo el conejo. 33. "Y me cuidan muy bien también," dijo. 34. "Lo que es más, quieren que me case con su hija," dijo el conejo. 35. (Dijo eso para que el coyote quisiera quedarse en su lugar.)'

XI. 36. 'Dijo que no quería casarse con la hija. 37. "Pero si fueras tú..." le dijo al coyote. 38. "¿Estás diciendo la verdad?" dijo el coyote. 39. "Siquieres, toma mi lugar," dijo el conejo. 40. (Porque estaba preocupado, buscando como escapar pues había oído decir que la dueña del maizal le iba a quemar el trasero con un atizador.)'

XII. 41. 'Y el coyote en verdad quiso tomar su lugar. 42. (Porque estaba muy contento de ser él quien se casara con la hija.) 43. Y el conejo escapó y salió volando.'

XIII. Clímax: 44. 'Y cuando se hizo tarde, la dueña del maizal dijo: "¿A qué horas le quemaré el trasero con el atizador al conejo este que está en la jaula?" dijo. 45. Y el coyote se quedó helado cuando oyó que le iba a quemar el trasero con un atizador caliente. 46. Y entonces pensó duro: "¿Cómo puede ser esto? 47. ¡De manera que por eso huyó el que estaba en la jaula antes que yo?" dijo el coyote. 48. "Pues bien, nos soltaremos y nos escaparemos," dijo el coyote. 49. Y se soltó y se escapó.'

XIV. P+1: 50. 'Y cuando se salió se puso muy enojado. 51. Quería comerse al conejo inmediatamente. 52. Y dijo: "Ahora lo vamos a buscar y luego nos lo comeremos," dijo el coyote.

53. Y de veras se fue a buscarlo para comérselo.'

EPISODIO C-1

XV. Escenario: 54. 'Y cuando lo encontró, el conejo ya estaba fingiendo ser maestro. 55. Estaba adentro, enseñando, cuando llegó.'

XVI. P-1: 56. 'Y cuando llegó, dijo: "¿Qué haces aquí?" dijo. 57. "Estoy aquí, no más", dijo el conejo. 58. Y el coyote dijo: "¡Te voy a comer!" dijo. 59. Y el conejo dijo: "¿Por qué me vas a comer?" dijo. 60. "Si tienes hambre, enséñale algo a estos niños mientras voy y te consigo algo de comer", dijo el conejo. 61. Y el coyote dijo: "No. A tí es al que me voy a comer", dijo. 62. "No," dijo el conejo. 63. "Enséñale a estos niños mientras yo te consigo algo de comer", dijo. 64. Y el coyote estuvo de acuerdo. 65. "¡Me estás diciendo la verdad?" dijo.'

XVII. Clímax: 66. 'Y el coyote tomó la regla y les enseñó. 67. Y decía: "Niños ¡atención!" decía el coyote. 68. Pero esperó en vano que el conejo volviera de conseguirle algo de comer. 69. (¿A dónde iría a conseguirlo? Simplemente huyó.)'

XVIII. P+1: 71. 'Y como no volvía, el coyote fue a buscarlo.'

EPISODIO CLIMACTICO

XIX. Escenario: 72. 'Y cuando encontró al conejo, éste ya estaba allí, sentado en un nopal.'

XX. P-2: 73. 'Y cuando el coyote llegó, le preguntó: "¿Qué estás haciendo allí, sentado en un nopal?" dijo. 74. "Estoy aquí, comiéndome estas tunas," dijo el conejo. 75. "¡Bueno, baja para que pueda comerte!" dijo el coyote.'

XXI. 76. 'Y el conejo dijo: "¿Por quéquierescomerme?" dijo. 77. "No prefieres comer lo que yo estoy comiendo?" dijo el conejo. 78. "No. A tí es al que me voy a comer", dijo el coyote. 79. "No. Come lo que yo estoy comiendo," dijo el conejo. 80. "No te da gusto que sepan tan buenas?" dijo el conejo. 81. "¡No. Porque es a tí al que me voy a comer!" dijo el coyote.'

XXII. P-1: 82. 'Pero el conejo siguió comiendo sin prestarle ninguna atención. 83. La boca se le puso roja de las tunas que se estaba comiendo. 84. Y dijo: "¡Esto que estoy comiendo está de veras sabroso!" dijo el conejo. 85. "¿De veras noquieresuna?" le dijo al coyote. 86. "¡No, porque a tí es al

que me voy a comer, creo!" dijo el coyote. 87. "¡No!" dijo el conejo. 88. "Come lo que yo estoy comiendo", le dijo al coyote. 89. Y el coyote estuvo de acuerdo en comerse unas cuantas. 90. "Aviéntame sólamente una, para probarla," dijo el coyote. 91. Y en verdad le aventó una para que el coyote se la comiera. 92. (Pero antes le quitó las espinas, antes de dársela al coyote para que se la comiera.)'

XXIII. Clímax: 93. 'Y otra vez dijo el conejo: "¡Cómete otra!" dijo. 94. "¡Aviéntame sólamente una más!" dijo el coyote. 95. Y de veras le aventó otra. 96. (Pero esta vez no le quitó las espinas.) 97. Y dijo: "Pero si te la aviento no vas a alcanzar nada 98. porque ésta está bien madura 99. y si la aviento, se deshace," le dijo al coyote. 100. "Abre bien grande la boca, para aventártela allí," le dijo al coyote. 101. Y realmente abrió grande la boca y el conejo le aventó esa fruta espinosa allí. 102. Y se le atoró en la garganta. 103. Y rodó colina abajo. 104. Mientras tanto, el conejo se bajó a la carrera y corrió.'

XXIV. P+1: 105.'Por fin vinieron las hormigas y le quitaron la tuna de la garganta. 106. Finalmente, se soltó y se fue.'

XXV. 107. 'Y otra vez el coyote dijo: "¡Ahora sí, buscaremos esta cosita y nos la comeremos!" dijo el coyote. 108. Y en verdad que el coyote buacó al conejo.'

EPISODIO C+1

XXVI. Escenario: 109.'Y cuando encontró al conejo, ya estaba allí, junto al río.'

XXVII. Clímax: 110. 'Y cuando el coyote llegó, le preguntó: "¿Qué estás haciendo aquí?" dijo. 111. Y el coyote dijo: "¡Ahora sí te voy a comer!" 112. "¿Por qué me quieres comer?" dijo el conejo. 113. "¿Por qué me engañaste?" dijo el coyote. 114. Y el conejo dijo: "¡Pero cuándo te engañé?" dijo. 115. "No sé de qué estás hablando," dijo el conejo. 116. "Te voy a comer ahorita, yo creo," dijo el coyote. 117. "No," dijo el conejo 118 y se echó al río. 119. Y dijo: "¡Si me quieres comer, agárrame, 120. y cuando me agarres me puedes comer!" dijo el conejo. 122. Y el coyote en verdad se metió al río. 122. Y en verdad se ahogó, allí, en el río.'
